Public Speaking with Impact

Presentation Skills

A course for those who have to speak in front of people and want to achieve more serenity, self-confidence, enthusiasm and joy doing so.

Contents

Speaking in front of an audience can be challenging. It usually takes a fair amount of courage, self-awareness, rhetorical clarity and humor. Add a specific knowledge on communication which will support you to present your topics freely and with more self-esteem to convince your audience.

The following topics will be covered by the means of theoretical inputs, specifically tailored Single and Group-Exercises, as well as Coaching within the Group on

- Competent and Confident Public Speaking
- Reaching and convincing the audience
- Getting the Key-Message across effectively
- Verbal-, and Non-Verbal Communication
- Working with Breath, Voice, Speech
- Movement and Body Language
- Charisma and Authenticity
- Structure of a Talk and Speech
- Awareness of individual strength and implementing it
